HYDE

HYDE

The Hyde footstool offers an ingenious solution to your seating problems, thanks to the easy to use hinge mechanism, which turns the footstool into a chair in a flash. Deeply padded with button detailing, the Hyde is available to order online in a select choice of leathers, with the full extensive range available to view and order in store. The Hyde is manufactured using a sinuous spring seat support, offering durability and resilience, as well as a Dracon fibre seat filling for comfort and support.
