 FAIRWAY  
 Est. 1976

This year we're proud to celebrate our 50th Anniversary. The first Fairway Furniture store opened in Tavistock in June 1976, built on the simple idea of helping people create homes they love.

Still a family business today, we remain independent and rooted in the South West. We source the best furniture, beds and flooring from the UK and abroad, offering great quality and competitive prices, without compromising on quality or service.

This 50th Anniversary Sale is our way of saying thank you and we're delighted to share this milestone with you. We look forward to celebrating with you this summer!

## CHOOSING YOUR BED

### MATTRESS

#### POCKET SPRUNG

Mattresses that feature individual springs encased in their own fabric pockets, allowing each one to move independently for tailored support. This design minimises motion transfer, ensuring you stay comfortable and undisturbed throughout the night.

#### MEMORY FOAM & LATEX

Moulding to your body's contours, latex and memory foam mattresses provide pressure relief and personalised comfort for a restful night's sleep.

#### OPEN COIL

Traditional mattresses which feature interconnected springs that provide firm, reliable support. Durable and affordable, most mattresses are double sided so will require rotating-head-to-toe and turning over regularly.
